Chapter 1: Introduction

Fantasy Cricket Overview

Fantasy Cricket is a part of the Fantasy Sports genre. It is an online game where you create a virtual team of real cricket players and score points depending on how your chosen players perform in real life matches. To win a tournament, you must work towards attaining the maximum points and the No. 1 rank on the leader-board.

About the User Manual

This user manual covers all features included in Fantasy Cricket Website.

Chapter 2: Get Started

Sign Up

You must sign up to use this website's full features. Sign up option will appear top right corner of the window, shown below. By clicking, you will enter to a new page where you can give necessary information and then register.

The image shows the sign-up form on the Fantasy Cricket website. The form is set against a teal background. It starts with a grey box containing an asterisk and the text '*Required Field'. Below this are several input fields: 'Enter Name' (with an asterisk icon), 'Select Country' (a dropdown menu), 'Enter Your Birthday' (with sub-fields for Day, Month, and Year), 'Enter Email' (with an asterisk icon), 'Enter Password' (with the placeholder text 'Please choose a secure password' and an asterisk icon), and 'Confirm Password' (with the placeholder text 'Re-enter the password'). A blue 'Submit' button is located at the bottom right of the form.

Required fields are specified by (*) mark. You must fill up the required fields to proceed further. By clicking submit you finish the registration process.

You can access some feature without having an account like Rules and Scoring, Schedule of the matches, Points Table of the teams, Results of the matches. You can also view the information of the developers in 'About us' section in the Home Page bottom-left corner.

Log In

You must enter their respective your login email address and password to enter the website. If you are a new user (i.e) you have no team yet then a template of team creation page will be shown in the home page.

You will be given 10000\$ virtual unit, shown in the Balance section. Available player list is shown in the right. According to your choice 11 players will be selected by clicking add button. Not every player will be available according to the rules. So, you must first learn the rules of selecting players from player pools. This information will be at rules and scoring section. You can sort the player list according to team or category. After selecting 11 players you must insert your team name and choose a captain for your team. Selected Captain will be given double points so this selection will vary user to user and upon this choice your points will differ.
